Travel Risk Intelligence Portal Features At-A-Glance

Stay Protected. Stay Informed. Anytime. Anywhere.

Generali Global Assistance is partnered with Crisis24 - a leading security assistance service provider - offering you real-time information powered by state of the art technology!

How to Register and Create a Profile in TRIP

Please follow the instructions below to register for the first time and create your traveler profile - granting you access to your dedicated portal.

First Time Registration

- Go to the travelsecurity.garda.com portal
- Click 'Sign Up' and enter your e-mail address
- Complete the registration form using your contract number (shown in the dashed box below)
- A confirmation email will be sent from mailing@ crisis24.com. If you do not receive the email within a few minutes, check your spam folder.

Creating Your Traveler Profile

The first time you connect to the portal, you will be asked to create your traveler's profile:

- 1 Enter your First and Last Name/Surname
- 2 Enter your Telephone Number
- 3 Select your 'Entity' Name and Enter your Contract Number (see dashed box below)
- 4 Select your Preferred Language
- 5 Click on **'Validate'** after creating your profile.

Enter your first name Phone Number Enter your phone number Company Contract
Enter your phone number 2
Company Contract
3
1999-1992 - 3
5 Validate Cancel

You must enter your Company/Entity Name and Contract Number:

Company/Entity Name: EIIA Scholastic Travel - Starr A&H

Contract Number: 16812020

Travel Risk Intelligence Portal Mobile App Quick Guide

Please follow the instructions below to download the App on your smartphone! With its responsive design, the portal can be accessed from any device. The content will automatically adjust to fit the size of your screen.

App Download and Login

- Download the GardaWorld Travel Security App directly from the Apple Store or Google Play Store
- If you have not registered on the TRIP/Crisis24 Portal, you will need to create an account via travelsecurity. garda.com on a desktop
- The first time you use the app you will need to fill in your user ID and password. These credentials are the ones you used to create your profile via the desktop TRIP/ Crisis24 Portal

Key Features

With the TRIP/Crisis24 App you can:

- Check the 24/7 alerts for the latest developments
- Read every Country Briefing
- Refer to Factsheets including assault and theft, vaccination calendar, information security and more
- Update your « My Profile » details
- Use our Medical Advisory Tools

Welcome to your new Travel Risk Intelligence Portal (TRIP)

Your access to security and medical advisories necessary before and during a trip.

Traveler Resources

Our traveler resources provide a wide range of content, updated daily, to help prepare for travel:

- Country Briefings Including Security Issues, Health Risks, Practical Information
- Factsheets Including Disease, Travel Tips and Checklists, Safe Travel and more
- Provider Search Engine Global Medical Network

Global View

A worldwide view of our 24/7 alerts. The Global View provides you with multiple filters to search and display alerts geographically by severity or by category and more.

24/7 Alerts

You will have access to our alerts, published 24/7 on the TRIP/Crisis24 portal. Our alerts cover the entire world and all topics that could have an impact on travelers: security, health, transportation, natural risks and more. Alert searches can be exported in XLS or CSV format.
